**AUTHOR(S)**

Name(s):

**PUBLICATION** (hereinafter referred to as 'the Publication')

Title of publication:

**SERIES OR JOURNAL NAME AND NUMBER:**

**THE PARTY MAKING THE PUBLICATION AVAILABLE FOR OPEN ACCESS ONLINE:**

Aalto University, Business ID 2228357-4 / Aalto University Learning Centre

The Author, as the author or rightholder of the Publication, hereby authorises Aalto University to make the Publication permanently available for online use through the electronic publication archive maintained by the Aalto University Learning Centre. The Aalto University Learning Centre has the right to change the file format of the Publication, as this may be necessary to ensure the usability of the Publication, for example.

The Author or the rightholder of the Publication will not be compensated for the publishing of the Publication in an electronic format.

The Author is responsible for ensuring that the images, tables and other materials included in the Publication are quoted as permitted by the Finnish Copyright Act (404/1961) or that the necessary authorisations have been obtained for the use of the materials, to enable the use of the Publication as described in this agreement.

The Author assures that they have not assigned their copyright on the Publication to a third party on such terms or conditions as to prevent the use of the Publication in the manner described in this agreement.

This agreement does not affect the Author's moral rights, which remain with the Author or the rightholder of the Publication. Notwithstanding this agreement, the Author or the rightholder of the Publication has the right to publish the Publication elsewhere in both printed and electronic formats.

Aalto University reserves the right to remove the Publication from the publication archive without notifying the Author.
